

How We Motivate Participating in Pingtung Healthy City

Yeh, Shou - Shan
Mayor, Pingtung City

Community, the cornerstone

Why community participating important?

- Important! Cornerstone of HC campaigns
 - Bridge, Government and Citizens
 - Incubator, City Citizen Behavior
 - Implementer, Healthy city promotion
 - Driver, Commitment empowering

Why Particular Critical to PTC

- Short of Financial support. Extra-ordinary community participating crucial.
- Sound relationship and interaction, City Hall and Community. Effective utilization.
- Economic disparity → distinctive community development concept. Inter-community exchange to ease variation.
- Distinctive life style. Rural vs. Urban. → Inter-community exchange → mutual appreciation

Theme: Participating inducement

- Scheme varied events, align with diverse living styles, tastes, needs, statuses, family types

Criteria for Pingtung HC Campaigns

- *Exhaustive.* To lead a city-wide participating
(remove possible participating constraints)
 - *Participative.* To synthesize community opinions
through effective communications
 - *Appreciative.* To appreciate the cultural
distinctiveness. Community-based local-specific
campaigns.
 - *Sympathetic.* To remove (ease) participating
restraints with special care of the minority.
- ~*To attract attention, to evoke willingness, to actuate
participating*

Exhaustive

- Remove possible participating constraints, evoke city-wide participating
